

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

EMMA C., et al,

Plaintiffs,

NO. C96-4179 TEH

DELAINE EASTIN, et al.,

Defendants.

ORDER RE: ADDITIONAL
STATUS CONFERENCE
AGENDA ITEM

11 On July 12, 2011, the Court issued an order scheduling the next status conference at 2
12 p.m. on December 7, 2011. At this conference, the Court anticipates discussion regarding the
13 District's performance on the 2010-11 benchmarks, the current status of the District's
14 performance on the Ravenswood Self Improvement Plan ("RSIP") requirements, and any
15 other issues the parties raise in their status conference statements.

16 By this order, the Court raises another issue. Compliance with the RSIP is but one
17 important step toward compliance with the First Amended Consent Decree (“FACD”). Under
18 FACD section 13.0, the Court must also eventually determine whether the state-level system
19 in place is capable of ensuring continued compliance with the law and provision of a free,
20 appropriate public education (“FAPE”) to children with disabilities in Ravenswood. In their
21 status conference statements and at the status conference, the parties shall address the
22 relevance of this requirement, how compliance with this requirement should be measured,
23 and when such measurement should begin.

25 IT IS SO ORDERED.
